

LIFT HOLE PLUGS

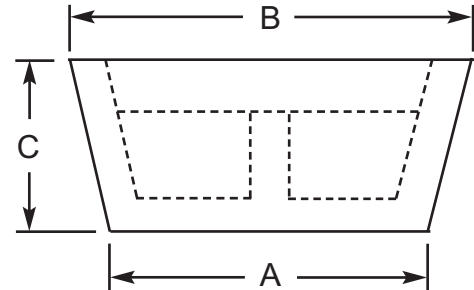

RUBBER PLUGS
for PIPE LIFT HOLES

DESCRIPTION

Made of tough long lasting rubber. Designed to be pounded into the lift hole. Fits snugly inside the hole below the surface.

Patch may be used to finish filling the indentation inside, and out, providing a reliable seal.

Size	Part #	A	B	C
1-3/8"	112.138	1 1/4	1 5/8	7/8
1-1/2"	112.150	1 1/2	1 13/16	7/8
