Re: MATERIAL SAFETY DATA SHEETS for Press-Seal Gasket Manufactured Products

Re: MATERIAL SAFETY DATA SHEETS for Press-Seal Gasket Manufactured Products  
In accordance with the OSHA Hazard Communication Program (29 CFR 1910.1200),  
the following items furnished to your company are considered finished articles as defined  
under Section C, Definitions:

## **VETS Visco-Elastic and DRYVAN Trailer Seals**

"Article" means a manufactured item other than a fluid or particle:

- i. which is formed to a specific shape or design during manufacture;
- ii. which has end use function(s) dependent in whole or in part upon its shape or design during end use; and,
- iii. which under normal conditions of use does not release or otherwise result in exposure to hazardous chemical(s) under normal conditions or use.

Our evaluation is that the above listed products are not hazardous and do not require  
Our evaluation is that the above listed products are not hazardous and do not require Material  
Safety Data Sheets.

Sincerely,  
PRESS-SEAL GASKET CORPORATION

Brad Carpenter  
Quality Manager
