This letter is to notify you that Secon Rubber and Plastics, Inc. is in full compliance with the Federal Occupational Safety and Health Administration (OSHA) "Hazard Communication Standard" (29 C.F.R. Part 1910.1200).

The following products are considered "articles" as defined by the standard:

447.R427N: 1 X 1 X 25 FT. NEO/EPDM/SBR BLEND PER 2C2, NO PSA

"*Article* means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture: (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use: (iii) which under normal conditions of use does not release more than very small quantities *e.g.*, minute or trace amounts of a hazardous chemical (*sic*) and does not pose a physical hazard or health risk to employees".

The requirements of the standard do not apply to articles. Therefore, as articles the above Secon Rubber and Plastics, Inc. products are considered to be non-hazardous and exempt from the Material Safety Data Sheet (MSDS) requirements.

Your use of this product could affect its status as an "article". Please consult the Federal Standard definition of an article for determination. If you have any concerns regarding the safe use of this product please contact Secon Rubber and Plastics, Inc. at 618-282-7700.
